## ABOUT ME

A passionate and motivated Bachelor of Engineering student in Computer Science, with a strong foundation in web development. Proficient in front-end technologies including HTML, CSS, and JavaScript, with hands-on experience in WordPress development. Additionally skilled in programming languages such as SQL, Java, C, and Node.js. Eager to apply technical knowledge and problem-solving skills in a dynamic development environment.

## EDUCATION

### SGB AMRAVATI UNIVERSITY

Bachelor of Engineering in Computer Science

2022-2026

### ANGLO HINDI JUNIOR COLLEGE, YAVATMAL

Higher Secondary Certificate (HSC)

2020-2022

## SKILLS

- Technical Skills :** Html, Css, Js, Java, C, SQL, Git, Wordpress
- Soft Skills :** Teamwork, Problem-Solving, Time Management, Communication

## WORK EXPERIENCE

### Wordpress Development Internship

Sept 2024

Worked on designing and customizing WordPress websites, including theme integration, plugin management, and website optimization. Gained hands-on experience with front-end development, troubleshooting issues, and improving user experience across multiple projects.

## PROJECTS

### Hospital Management System

March 2024

Developed a responsive and user-friendly Hospital Management System that streamlines administrative and clinical workflows. The system supports patient registration, appointment scheduling, doctor management, and medical records tracking.

### Personal Portfolio Website

Jan 2024

Created a professional and visually appealing Personal Portfolio Website to showcase my skills, projects, and achievements. The website serves as a digital resume and portfolio, providing an easy-to-navigate interface for potential employers or clients to view my work.
